SPECIAL GUESTS:**

- RICK ESTRIN
- TRACY NELSON
- CHRIS CAIN
- JIM PUGH
- CHRIS KID ANDERSEN

*"Hanck is a gold mine when it comes to classic R n' B... (his) originals are clearly influenced by the sounds of New Orleans, Chicago, California and Memphis. Today, Hanck ranks among the tenor sax greats.... Each new recording from him seems better than the last. He's a musical treasure." -Richard Ludmerer, MakingAScene.org*
